Patio Covers

Permit # C-PATIO-2025-0015 **Issued:** 12/11/2025 **Valuation:** \$82,550.00
Address: 5990 S APEX AVE **Res.SQF:** **Com.SQF:** 1287
Subdivision: APEX NORTHWEST SUB NO 05 **Lot(s):** **Block:**
Owner (Private): **Phone:**
Contractor: TratFab LLC 350 N Calhoun PI Star, ID 83669 2083668424
Project Description: Pinnacle Park Shade Structures - 20'-0" x 40'-0" and 20'-0" x 24'-0" Building Permit - The Pinnacle community park functions as the recreational heart of the Pinnacle community, and the shade structures function as a critical arm of this recreational heart – giving relief from the sun to the park goers when needed. The main function of the shade structures will be to give a covered outdoor space to view outdoor activities, such as monitoring children playing in the park.

The square hollow structural steel columns and beams will be powder coated with a dark charcoal color, and the structures will be given a dark grey standing seam metal roof. The underside of the roofs will be powder coated with a bronze color. The shade structures are designed to be cohesive with the rest of the development, as well as have a subdued scale to minimize their impact.

Both structures will comply with all aspects of the Pinnacle Architectural Control Committee Guidelines, the Meridian Architectural Standards Manual, and the Unified Development Code of Meridian. The structures will also comply with the 2018 International Building Code, 2018 National Electrical Code, 2018 Energy Conservation Code, 2018 International Residential Code, 2018 International Fire code, and the ANSI 117.1 2009 Edition.

The dimensions of the structure are 20'-0" x 40'-0" x 10'-6" and 20'-0" x 24'-0" x 10'-6". There will be no integrated lighting into the pool shade structure. Due to the open air, pavilion-like quality of the shade structure, no insulation, mechanical, or plumbing will be required. There will be one GFCI outlet per plinth of each shade structure, built into the structure as specified in the drawings.

Patio Covers

TOTAL VALUE: \$82,550.00

Contractor: Midas Corp PO BOX 1076 Eagle, ID 83616 2088706125
Project Description: The proposed project consists of the construction of a new, single-family residential dwelling on a previously approved lot within the Alamar Subdivision. The Bjorn plan is a two-story wood-framed structure built on a concrete foundation. Work includes all standard residential construction components: site preparation, foundation, framing, roofing, exterior cladding, insulation, interior finishes, electrical, plumbing, HVAC, and associated mechanical systems. Utilities will connect to existing subdivision infrastructure.
